CLASSIC 200Ti

SPENDOR

MADE FOR MUSIC. DESIGNED FOR YOU.

The luxurious multilayer titanium front baffle on the Classic 200Ti elevates your experience with a design that makes a bold statement. An incredible all-rounder that is huge fun to listen to, the Classic 200Ti will encourage you to rediscover the music you love.

HIGHLIGHTS

- The Classic 200Ti delivers music with captivating clarity and real dynamics. It can fill the largest listening rooms with deep natural sound. It is efficient, easy to drive, easy to place and equally at home with tube or solid-state amplifiers, analogue or digital sources.
- The Classic 200Ti cabinet features relatively thin side panels that are lightly-braced but have viscoelastic damping pads bonded to their inner sides. These panels are attached to a rigid front baffle finished in brushed titanium.
- A 3-way 4-driver system featuring two large 31cm Spendor Kevlar composite bass drive units in an original Spendor 70's style floorstanding enclosure.
- Designed and Manufactured in the UK
